

Clean Energy Development Fund (CEDF)  
Small Scale Renewable Energy Incentive Program (SSREIP)  
Custom Advanced Wood Heating System Incentive Request Form

---

- This incentive form is only for systems that are also eligible for Efficiency Vermont's custom wood heating incentive (commercial projects > 5,000 sq ft) and under \$100,000 total system cost, before incentives
- The CEDF \$3,000 incentive will be sent directly to the installing company.
- All residential and commercial projects < 5,000 sq. ft. must use the combined Efficiency Vermont/CEDF rebate form

Heated Space Square Footage	Existing Heating Source Fuel Type & Avg. Annual Amount Used:
New Heating Unit Manufacturer	New Heating Unit Model Number
Installed Output (Btu/hr)	Capacity of Fuel Storage (Tons)

## SECTION E: SIGNATURES/CERTIFICATIONS

### CUSTOMER CERTIFICATION

I certify that I have purchased the advanced wood heating system described in this application, as installed at the location indicated above. I certify that I meet the requirements listed in the latest *SSREIP Advanced Wood Heating System Terms, Conditions and Requirements* (available at [www.erc-vt.org/advanced-wood-heating-systems](http://www.erc-vt.org/advanced-wood-heating-systems)). I understand that any deliberate attempt to misrepresent information in this application will disqualify me from all claims to incentives offered through Vermont's Small Scale Renewable Energy Incentive Program (SSREIP). I understand that information regarding the SSREIP incentive may be released publicly and will not be held confidential. I understand that the incentive will be **paid directly to the Installing Company**. I also understand that the benefit of the incentive is mine and must be transferred from the Installing Company to me in a manner that is agreeable to both parties. I grant the CEDF access to pellet purchase records from pellet vendors.

### INSTALLING COMPANY CERTIFICATION

I certify that my company is a currently approved Efficiency Excellence Member and has worked with the customer referenced above to install the advanced wood heating system described on the enclosed application at the location indicated above. The system has been installed in accordance with the Vermont Fire and Building Safety Codes. I understand that any deliberate attempt to misrepresent information in this application will disqualify my company from participation in the program and all claims to incentives offered through Vermont's Small Scale Renewable Energy Incentive Program. I understand that information regarding the SSREIP incentive may be released publicly and will not be held confidential. I further certify that I have read, understand, and will abide by all program requirements listed in the current *SSREIP Advanced Wood Heating System Terms, Conditions and Requirements* at [www.erc-vt.org/advanced-wood-heating-systems](http://www.erc-vt.org/advanced-wood-heating-systems).
